

Job Shadowing Participation Quiz

Name _____ Date _____

Purpose: to demonstrate the student's knowledge of shadowing procedures, HIPAA rules and regulations, and safety procedures. (Score required 100%)

1. While job shadowing, you see your Aunt Susie in the hallway. The most appropriate action to take is:
 - Say "Hello" and continue with your shadowing experience
 - Ask her why she is at the hospital
 - Let your parents know you saw her
 - Ignore her

2. If you are feeling ill on the day you are going to job shadow:
 - Take medication and attend job shadowing
 - Stay home and reschedule job shadow for another time
 - Stay at least 3 feet away from all patients so your germs will not spread

3. Appropriate clothing for job shadowing includes:
 - Scrubs
 - Khaki pants, a polo shirt and closed-toe shoes
 - Baggy jeans and low-cut top
 - Shorts, midriff shirt and flip-flops

4. Please select ALL answers that you believe relate to accessing patient information:
 - Access to electronic patient information is a privilege
 - Access to electronic patient information requires a login and password
 - Access to electronic patient information is not allowed by job shadow participants

5. Consequences for violating a patient's confidentiality can result in a range anywhere from \$100 in fines to jail time and loss of job shadow privilege:
 - True
 - False
