

## Why should I sign up for the patient portal?

Patient portals serve as a valuable empowerment tool, encouraging patients to take an active role in their healthcare. Right at your fingertips you have access to the following:

- ◆ Vital Sign readings
- ◆ Clinic Visit Summaries
- ◆ Hospital Discharge Summaries
- ◆ Lab results (within 36 hours)
- ◆ Medication List
- ◆ Request prescription refills
- ◆ Private message your personal Doctor
- ◆ View Scheduled Appointments
- ◆ Pay your Bill

## 'My Patient Portal' & Healthlife App

# Setting up your Patient Portal

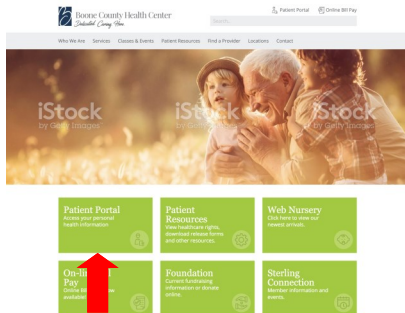

## Take the First Step

1. Sign patient portal access papers at the Boone County Health Center or medical clinic.
2. You will receive an email from BCHC. Please check your spam/junk folder. If you did not receive an email call 402.395.3247.
3. In the email click the link [Accept Invitation to My Patient Portal](#).
4. Once the below webpage appears: choose YES in the drop down box and click continue.

5. Once you created your username and password, your patient portal can be accessed through the HealthLife App or our website: [www.boonecohealth.org](http://www.boonecohealth.org)

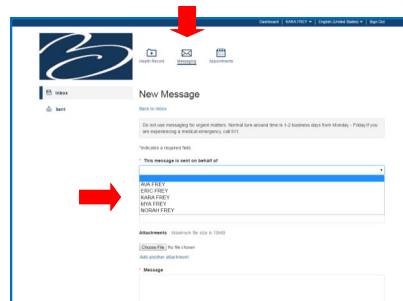

## Message your Doctor via the Patient Portal on the App or our Website.

Send a private, secure message to your personal Doctor via the messaging system in the portal by clicking the envelope icon on the top of the page.

## Do NOT use in Emergencies

**NOTE:** For those managing multiple individuals electronic health record. Please be sure you select the correct member profile when sending a message on another's behalf.

## HealthLife App

Download the HealthLife App to your smart phone to conveniently access all your electronic health records right in the palm of your hand.

Been referred to a specialty doctor but can't remember the name of the medications your taking? Look it up in just seconds with the HealthLife App.

Have a question after hours or don't want to sit on hold. Message your doctor via the Portal or App. Responses within 48 hours.

No longer wait on the post office mail for those lab results. Access them via your electronic record within 36 hours!
