

## ***Job Shadowing Participation Quiz***

Name \_\_\_\_\_ Date \_\_\_\_\_

Purpose: to demonstrate the student's knowledge of shadowing procedures, HIPAA rules and regulations, and safety procedures. (Score required 100%)

1. While job shadowing, you see your Aunt Susie in the hallway. The most appropriate action to take is:
  - Say "Hello" and continue with your shadowing experience
  - Ask her why she is at the hospital
  - Let your parents know you saw her
  - Ignore her
  
2. If you are feeling ill on the day you are going to job shadow:
  - Take medication and attend job shadowing
  - Stay home and reschedule job shadow for another time
  - Stay at least 3 feet away from all patients so your germs will not spread
  
3. Appropriate clothing for job shadowing includes:
  - Scrubs
  - Khaki pants, a polo shirt and closed-toe shoes
  - Baggy jeans and low-cut top
  - Shorts, midriff shirt and flip-flops
  
4. Please select ALL answers that you believe relate to accessing patient information:
  - Access to electronic patient information is a privilege
  - Access to electronic patient information requires a login and password
  - Access to electronic patient information is not allowed by job shadow participants
  
5. Consequences for violating a patient's confidentiality can result in a range anywhere from \$100 in fines to jail time and loss of job shadow privilege:
  - True
  - False
