ENROLLMENT FOR MY PATIENT PORTAL

1. Sign patient portal access papers at the Boone County Health Center or one of our medical clinics. You can also self-enroll at boonecohealth.org if your email is on file.

2. You will receive an email from Boone County Health Center. (Be sure to check your spam/ junk folder.)

3. Click the link to accept the invitation.

4. Follow the steps to continue setting up your profile.

Once set up, My Patient Portal can be accessed through our website boonecohealth.org or the HealtheLife App.

*My Patient Portal enrollment is available for BCHC patients who are 13 years of age and older. Children ages 13-18 cannot be enrolled under their parents' portal due to state and federal regulations.

If you would like to manage the portal of a patient 12 years of age or younger, fill out a proxy form at the Health Center or one of our medical clinics.

WHY SHOULD I SIGN UP FOR MY PATIENT PORTAL?

Patient portals serve as a valuable empowerment tool, encouraging patients to take an active role in their healthcare. It allows you to view your health records electronically. Right at your fingertips you have access to the following:

- Vital sign readings
- Clinic visit summaries
- Hospital discharge summaries
- Lab results (within 36 hours)
- Medication list
- Private message your provider
- View scheduled appointments
- Pay your bill
- Request prescription refills through private message

MY PATIENT PORTAL SHOULD NOT BE USED FOR EMERGENCIES! IN CASE OF EMERGENCY, CALL 911.

HEALTH INFORMATION IN THE PALM OF YOUR HAND!

HealtheLife App
Download the HealtheLife App to your smartphone to conveniently access all your electronic health records. PLUS, you will be notified through the app when you get a message from your provider.

iPhone Health App
Connect My Patient Portal to the Health app on your iPhone. The Health App allows users to combine their health records from multiple institutions alongside their patient-generated data, creating a more holistic view of your health. Your exiswting patient portal continues to provide you with a direct connection to your provider.
